Register No. 60133
Date of Receipt 18/10/29

Diary No.

Subject: Audit and of District Court, Civil and Military Station, Bangalore.

Sir,

I have the honour to state that the audit of the accounts of the District Court, Civil and Military Station, Bangalore for the year 1928-1929 was conducted on the 4th and 5th August 1929 and that the accounts were found to be satisfactory.

2. In this connection, I would observe that under present conditions the local audit of the accounts of the court seems unnecessary as explained below. And I would enquire whether the Hon'ble the Resident has any objection to the audit being discontinued in future.

3. The annual audit of the court was taken up for the first time at the instance of the Hon'ble the Resident in August 1924- vide correspondence ending with letter No. T.M.23-101/7727 dated 15-2-24 from the Accountant-General, Madras to the Secretary to the Resident in Mysore. Since then the system of receipts in and payments by, the court of Suitors' money has been changed from 1st January 1927 to the banking account system described in Article 210 of Civil Account Code Volume I--vide the Hon'ble the Resident's notification No.2 Judl., dated 1-1-27. This has resulted in considerably reducing the direct handling of cash

S.R. 11 (S) 264-1914

by the court staff. Further, rules 19 and 25 to 28 of the rules in the notification referred to above, provide sufficient safeguards against any tendency to ignore the procedure laid down. The maintenance of accounts under the new scheme has also reached such a standard that it would appear that the local audit may be conveniently dispensed with. I may add that in the Madras Presidency the accounts of the courts that have a similar banking account system are not subjected to local audit.

4. The orders passed by the Resident may be communicated to me in due course.

I have the honour to be,

Sir,

Your obedient servant,

Audit Officer.
